

FACT SHEET of the ETSI Minas y Energía

Academic year 2025/2026

ESCUELA TÉCNICA SUPERIOR DE INGENIEROS DE MINAS Y ENERGÍA (ETSIME)

UNIVERSIDAD POLITÉCNICA DE MADRID (UPM)

SCHOOL OF MINING AND ENERGY ENGINEERING, TECHNICAL UNIVERSITY OF MADRID (SPAIN)

ERASMUS CODE: E MADRID 05 // ORGANIZATION IDENTIFICATION NUMBER (OID): E10209373

Target Group of Document:	• International Partner Universities • Exchange/Study Abroad Student Advisors • Erasmus Coordinators • International Exchange/Study Abroad Students
Content:	Information about the School of Mines and Energy of the UPM relevant for International Exchange Students and Partner Universities

CONTACT INFORMATION: INSTITUTION

Name and Address of the Institution:	Escuela Técnica Superior de Ingenieros de Minas y Energía (ETSIME) C./ Ríos Rosas 21, Madrid 28003 Madrid, Spain
Institution 's website:	http://www.minasyenergia.upm.es https://minasyenergia.upm.es/estudiantes/movilidad-internacional
Links for additional information for exchange students	https://www.upm.es/internacional http://www.upm.es/internacional/Students/ExchangeMobilityPrograms/InternationalProgram http://www.upm.es/internacional/Students/ExchangeMobilityPrograms/InternationalProgram/Erasmus%20Grants

CONTACT INFORMATION: INTERNATIONAL OFFICE

Vice-Dean for International Relations	Dr. Israel Cañamón Valera E-mail: internacional.minasyenergia@upm.es
Administrative chief of the Mobility Office / Outgoing students:	Mrs. María Ángeles Horcajada Aragonés Phone: +34 91 06 76310 Email: sec.internacional.minasyenergia@upm.es
Incoming students:	Mrs. Rosa María Rodríguez Menéndez Phone: +34 91 06 76308 Email: incoming.minasyenergia@upm.es

GENERAL INFORMATION:

Academic Calendar

Semester 1 (Winter)	03/09/2024–20/12/2024
Arrival day	Not later than 03/09/2025
Examinations	08/01/2026–26/01/2026
Semester 2 (Spring)	29/01/2025–28/05/2025
Arrival day	Not later than 29/01/2026
Examinations	01/06/2026–16/06/2026
Extraordinary period of examinations (both semesters)	24/06/2026–10/07/2026

Nomination Deadline

Winter Semester and full year: From 1st to 30th April
Spring Semester: From 1st to 31st October

Applications must be sent by email to : incoming.minasyenergia@upm.es with the following minimum information of the nominated students: name and surname, student's email, ID or passport number, date of birth, level of studies, field of studies, mobility period

Application Deadline

Winter Semester and full year: From 1st to 31st May
Spring Semester: From 1st to 30th November

Applications must be completed through our [Moodle online platform](#).
An email will be sent to the nominated students with the application instructions.

Visiting Students

- [Students from universities without agreements \(Visiting students\)](#)

Language requirements for students

- Language certificate (B1 for Spanish taught courses, B2 for English taught courses).
- [Spanish language courses for incoming students](#).

Academic Information

Our study programme includes four different bachelor's degrees - with 240 ECTS credits each - and several master's degrees:

[Bachelor's Degree in Energy Engineering](#)
[Bachelor's Degree in Energy Resources, Fuel and Explosives Engineering](#)
[Bachelor's Degree in Mining Technology Engineering](#)
[Bachelor's Degree in Geological Engineering](#)
[Master's Degree in Mining Engineering](#)
[Master's Degree in Energy Efficiency in Building, Industry and Transport](#)
[Master's Degree in Sustainable Mining](#)
[Master's Degree in Soil and Underground Water Pollution](#)
[Master's Degree in Geological Engineering](#)
[Master's Degree in Disasters Management](#)

Main fields of study:

1. Mining engineering.
2. Energy engineering.
3. Materials engineering.
4. Geological engineering.
5. Environmental engineering.

POLITÉCNICA

UNIVERSIDAD
POLITÉCNICA
DE MADRID

ISCED FIELDS OF EDUCATION AND TRAINING (ISCED-F Code)

0710 Engineering and engineering trades n.f.d.
0711 Chemical engineering and processes
0712 Environmental protection technology
0713 Electricity and energy
0714 Electronics and automation

0715 Mechanics and metal trades
0719 Engineering and engineering trades n.e.c.
0724 Mining and extraction
0532 Earth science

Subjects taught in English at ETSIME

Grades Conversion

E MADRID05

ECTS Grade	Definition	UPM Grade
A	EXCELLENT – Outstanding performance with only minor errors	9-10 Sobresaliente
B	VERY GOOD – Above the average standard but with some errors	8-8,9 Notable
C	GOOD – Generally sound work with a number of notable errors	7-7,9 Notable
D	SATISFACTORY – Fair but with significant shortcoming	6-6,9 Aprobado
E	SUFFICIENT – Performance meet the minimum criteria	5-5,9 Aprobado
F	FAIL – Some more work required before the credit can be awarded	0-4,9 Suspenso
G	Exam not taken	NP – No Presentado

Orientation for new students

Students who enroll for the first time at the Technical University of Madrid have several help and orientation programs available to them, such as the 'Starting Point', the "Zero Courses", or the "Mentor Program", to facilitate the success of their studies.

Mentoring and Buddy Programs : <https://minasyenergia.upm.es/estudiantes/futuros-estudiantes/proyecto-mentor>

Accommodation

- <https://nodis.es/>

Visa requirements and residence permits

- Citizens from European member states may enter in Spain with a valid passport or identity card.
- Citizens from non-EU countries will need to enquire before departure at the Spanish embassy or consulate whether they need a visa to enter Spain.

HealthInsurance

Students coming from foreign universities are exempt from paying all costs related to enrollment, administrative charges and student insurance. However, students must pay for *private accident insurance*, which is offered through the Universidad Politécnica de Madrid. More information in the Website www.oncampus.es
