

MIT-SPAIN UNIVERSIDAD POLITÉCNICA DE MADRID SEED FUND

MIT GLOBAL SEED FUNDS

CALL FOR PROPOSALS

About the Fund

The MIT-Spain Universidad Politécnica de Madrid (UPM) Seed Fund is a part of the [MIT Global Seed Funds](#). Through an annual call for proposals, the fund primarily supports travel costs for exchange between a team at MIT and colleagues at The Universidad Politécnica de Madrid. The Spanish colleague(s) must be identified in the proposal. The maximum award is \$30,000.

Priority will be given to projects that:

- are new or are entering a new phase
- involve undergraduate and/or graduate students in a meaningful way
- are likely to be sustainable beyond the grant period
- are likely to make an important contribution to the field
- include a balanced exchange and demonstrate complementarity between participating teams
